SPECIAL NOTES TO BUYERS

1. As a prerequisite of bidding, buyers must register at the Auctioneer's Office and complete a Buyer's Bidding Card providing positive proof of identification and then receive a bidding number.
2. Attention is drawn to Paragraph 8 of the Conditions of Sale which specifies that in effect:
 - (a) All items of a portable nature, ie Sundry Plant, Office Equipment, Tools, etc., must be paid for and removed by 12:00 Noon, Friday 27th March 2015.
 - (b) Motor Vehicles, Trucks, and Underground Equipment to be removed by 12:00 Noon, Thursday 2nd April 2015.
3. On site security provided is for the sole benefit and purpose of the vendors and the auctioneers (as agents for the vendors) -purchasers are urged to expedite settlement and clearance of their purchases to minimise the possibility of loss prior to delivery or alternatively arrange appropriate insurance.
4. Purchasers will not be permitted to resell or subdivide lots on the sale areas nor can purchasers invoices by subdivided at settlement, i.e. one purchaser -one invoice only.
5. Delivery of lots is not to be taken without a representative of the vendor or the auctioneers being present at the time.
6. Whilst every care has been taken in the compilation of this catalogue, neither the vendors nor the auctioneers, as agents for the vendor, accept any responsibility for any miss-description and give no warranties as to the correctness of any description whatsoever.
7. Measurements and quantities shown are approximate and are intended only as a guide for prospective purchasers. Particular attention is drawn to Paragraph 6 of the Conditions of Sale.
8. Members of the public, purchasers, their employees and agents, and all persons directly or indirectly involved in the removal of goods, lots, buildings and structures sold enter the sale site at their own risk. The vendor accepts no responsibility for personal injury or property damage suffered by such persons.
9. Purchasers acknowledge that until payment of the entire purchaser price, the goods remain the sole property of the vendor.
10. All goods not removed by the purchaser by the time specified in special note 2 above, will be regarded as abandoned by the purchaser (whether or not paid for) and the vendor shall be entitled to use or dispose of the goods without accounting to the purchaser.
11. Goods cannot be removed until paid for in full.
12. The vendor reserves the right to withdraw any items prior to sale without notice.

CONDITIONS OF SALE

1. The highest bidder shall be the purchaser, subject to a reserve price, if any.
2. The Auctioneer may, without giving any reason, refuse to accept the bid of any person or persons, and may decline the offer for any lot, or withdraw any lot or lots from sale.
3. Should any dispute arise as to any bid, the relevant lot or lots may, at the option of the Auctioneer, be put up again and resold.
4. Each purchaser shall immediately after any lot is knocked down, hand to the Auctioneer's clerk his or her name and address in writing and shall, if required, immediately pay in cash or by certified bank cheque a deposit of not less than 10% of the purchase price.
5. The balance of the purchase price shall be paid in cash or certified bank cheque by no later than 12:00 noon Friday 27th March 2015.
6. The purchaser agrees that –
 - (i) All warranties and conditions on the part of the Vendor implied by statute or otherwise relating to the goods the subject of each lot are excluded to the maximum extent permitted by law;
 - (ii) The Vendor gives no warranty whatsoever as to the condition or quality of the goods or as to their suitability or fitness for their ordinary or any special use or purpose, and the description of the goods in any publication, advertisement or other document or any other oral representation or description by the Vendor or Auctioneer shall not import any such condition or warranty on the part of the Vendor;
 - (iii) It is the responsibility of the purchaser to satisfy himself as to the condition, quality, suitability and fitness of the goods for his purposes;
 - (iv) The purchaser accepts the goods as they are with all faults and defects (if any). The Vendor shall not be liable for any miss-description of the goods and the Purchaser shall take them irrespective of any such miss-description without any claim for compensation; and
 - (v) The purchaser acknowledges that the foregoing is fair and reasonable having regard to the fact that the goods are in a used condition and that he has been provided with a reasonable opportunity to inspect the goods.
7. The goods are at the purchaser's risk immediately on the fall of the Auctioneer's hammer. Without limiting the generality of the foregoing, neither the Vendor nor the Auctioneer shall be liable for any damage to or deterioration of any goods the subject of the relevant lot, whether or not caused by their negligence or the negligence of their servants and Agents, for the period between the fall of the hammer and the taking of delivery by the purchaser.
8. Provided the full purchase price has been paid, all lots must be removed by the Purchaser at the Purchaser's expense by the following dates:
 - a) All portable items to be removed by 12:00 noon Friday 27th March 2015.
 - b) All Motor Vehicles, Truck and Equipment to be removed by 12:00 noon Thursday 2nd April 2015.
9. Delivery of lots is not to be taken without a representative of the Vendor or their Agent being present at the time and the Purchaser will minimise any damage caused with such removal as far as practicable. The Purchaser shall ensure that delivery is taken of all lots available at the time of delivery.
10. Should any deficiency arise between the quantity of goods described at the time of sale and that available at the time of delivery, the purchaser shall take, and the Auctioneers shall be required to effect, delivery of only the quantity actually so available. No compensation whatsoever shall be paid in respect of any such deficiency, but the purchaser may claim a pro rata adjustment of purchase price. No adjustment will be made unless the purchaser makes his claim at or before the time of delivery.
11. If the purchaser fails to comply with any of these conditions, all moneys received pursuant to condition 4 hereof shall be absolutely forfeited to the Vendor. Furthermore, in that event the Vendor shall be

entitled to resell the goods, either by public auction or by private contract and the deficiency (if any) between the price on resale, together with any associated costs and charges, and the unpaid balance of the initial sale shall be a liquidated debt due and immediately payable by the defaulting purchaser.

12. Time for payment and taking delivery by the purchaser shall be of the essence of the sale of any lot.
13. The Auctioneer reserves the right to one bid on each lot.
14. A right to bid by or on behalf of the Vendor in respect to each lot is expressly reserved.
15. The sale is GST inclusive.
16. All electrical appliances and/or equipment are in a used condition and no warranty is given that their present condition complies with the safety requirement of any Government or Semi-Government authority. The purchase shall be responsible for having such appliances and/or equipment examined and repaired by a registered electrical contractor as may be required by law.
17. Vehicles offered without Certificates of Roadworthiness, are sold for the purpose of WRECKING, RENOVATION, REPAIRS OR ALTERATION under Section 44K (1)(b) of the INSPECTION OF MACHINERY ACT 1971 – 1973 and MACHINERY INSPECTION AND SAFETY REGULATIONS 1972 RELATING TO THE INSPECTION OF MOTOR VEHICLES.
18. All persons entering these premises do so at their own risk. The Vendor and the Auctioneer shall not be under any liability whatsoever for any injury, death, or damage howsoever caused (including injury, death or damage caused or contributed to by the negligence of the Vendor or Auctioneer, or their servants and Agents) suffered by any person entering on to these premises. The Purchaser shall effect insurance which:
 - (i) At all times covers liability to the public for an unlimited amount in respect of personal injury, death, or damage or death arising out of the taking of delivery, removal, or dismantling of any lots, by or on behalf of the purchaser;
 - (ii) If necessary provides cover for the full amount required by law against any liability whatsoever whether arising by virtue of any statute relating to workers compensation or employers liability or at common law to any person employed by the purchaser in connection with the taking of delivery, removal, or dismantling of any lot.
19. The purchaser shall pay to the Auctioneer, a deposit (bond) as announced by the Auctioneer immediately prior to the relevant goods, building or structure being offered for sale, such deposit being over and above the amount of the purchase money, and to be refunded to the purchaser upon the site being left clean and cleared to the satisfaction of the Vendor or its representatives.
20. The demolition and removal of all buildings and structures may only be carried out with the express written approval of the Vendor or the Vendor's Agent.
21. In relation to the removal of any goods or the demolition and removal of any buildings and structures, it shall be the responsibility of the purchaser to comply with all statutory requirements, including legislation relating to the Mineral Resources Act 1989 and Regulations, Workplace Health and Safety Act 1989, Workers' Compensation and Building Regulations. The purchaser shall obtain all necessary permits for demolition and removal of all buildings and structures.
22. A Buyer's Premium of 5.5% GST inclusive will be charged on major items. A Buyers Premium of 11% will be charged on misc. items & motor vehicles.
23. PPSR Certificates – in accordance with Queensland Government legislation compulsory PPSR certificates will be issued on the day of sale. A PPSR certificate fee of \$20.00 will be debited to the successful purchaser.
